

An abstract painting with a rich, textured surface. The colors are vibrant and varied, including deep reds, oranges, yellows, greens, and blues. The brushstrokes are visible, creating a sense of movement and depth. The overall effect is one of dynamic energy and artistic expression.

*Through its extraordinary beauty and
radiance, Simon's work encourages us
to embrace abstract art.*

ORIGINAL ARTWORK

Inspirational and lyrical, Simon's original paintings have attracted significant attention around the world and led to him being characterised in the press as a 'radical Turner'. Through their extraordinary beauty and radiance, Simon's dazzling abstracts take us on deeply personal journey into another world.
